

Available April 1st, Kasco has redesigned the 3/4HP and 1HP J Series fountains! We have enhanced the housing, impeller, and nozzles to create an even better product. Both flow rate AND pattern size have been improved without increasing amp draw. This dramatically improves aesthetic appeal without increasing operating costs or fountain pricing. In addition, assembly, as well as nozzle changes are faster and easier!

J Series Redesign Comparison – Old vs New

Pattern	3/4HP Old Height (ft.)	3/4HP Old Width	3/4HP NEW Height	3/4HP NEW Width	1HP Old Height	1HP Old Width	1HP NEW Height	1HP NEW Width
Linden	6	18	9	29	8	25	12	31
Cypress	6	16	7	17	7	25	9	28
Sequoia	7	4	13	8	10	6	18	11
Willow	4.5	15	6	21	6	23	9	31
Juniper	3	20	NA	NA	4	27	NA	NA
Birch	NA	NA	7	5	NA	NA	11	8
